# ***P.B. BUSTER***

Dear Swimmers, Coaches and Parents

Most of you will appreciate that November and December is a good time of year to get those qualifying times for the various County Age Group Championships that our swimmers all endeavour to compete in. Last year it became apparent that, although there were Level 2 meets around, there seemed to be a shortage of Level 3 events for our younger swimmers to enter in a hope to achieve those qualifying times. Level 2 qualifying times can sometimes be a little out of reach for some so we at Northgate decided to plug the gap, and so the P.B. BUSTER was born.

The whole idea of the gala is to give swimmers, who may not yet have achieved their County times, an opportunity to compete and hit those important targets. Of course we welcome anyone, whether after county times or not, but we have set the upper cut-off times at this years Midlands qualifying times to give a better opportunity to those who need it.

So come along and join in the fun, whilst competing with others with the same aim, and let's see if you can achieve your goal.

See you on the 27<sup>th</sup> November.

Northgate's Gala Sub-committee
